"GREAT GAME" "Highly Recommended" "A MUST BUY. Great game!" "Great graphics!" "One of the best RPG games I ever played." "Interesting storyline." "GREAT GAME" "A MUST BUY. Great game!" "GREAT GAME!" "This is a MUST BUY game! The world is amazing and the action/game play is fantastic. The character building aspect is very enjoyable. The storyline is deep and very well written. My only complaint is that there is no trial version available yet as well as only having a limited number of servers available. I suggest that the developers allow everyone to play this game right away and include a trial version. If you are a fan of fantasy, RPGs, action, role-playing, or any RPG action game, then this is a MUST BUY! I have not been this excited about an RPG since the 1980s. This is a GOLD medal game!" "THE BEST RPG I'VE EVER PLAYED!!" "Wonderful. This game is great." "MUST BUY! I could not put it down. I just keep playing it again and again." "A TRUE RARE TREASURE!" "This is an exceptional game! The gameplay is unique and addictive, the story is captivating, and the graphics are excellent. Even if you've never played an RPG before, you'll find something great to do in this game." "8 OUT OF 10" "S.I.C..S.A.G.E.L.L... what is that? DUDES... The story line moves at an incredible pace, keeping you on your toes and on the edge of your seat. Take a seat, and never put down your controller. Absolutely FANTASTIC!" "6 OUT OF 10" "GREAT GAME" "Love this game but I have to say that there is absolutely no story in the game!" "HARD TO FIND" "Fantastic... The text and graphics bff6bb2d33

It gives me peace, It gives me hope. The second game is my big adventure. It's where I channel my wild, craving instincts to the good of others.
