The remastering team at Blue Shift will be incorporating some of the features from the Xbox One release, which includes the ability to toggle between multiplayer and co-op. "Of Orcs and Men has been a personal favorite for nearly 30 years. Ever since I was a kid, when my father used to play it, I'd be sitting there with him, and it'd be like we were in an old black and white movie. Playing alone versus him. We'd go through those levels so fast, and that feeling of playing in the dark, and you're a target to everyone around you. It was just like old school war games on a spaceship." "I've always wanted to do a remaster to update that experience and recreate it and bring it back to all of these different platforms that people play games on, and also to get it on Steam, as it seems like a natural platform for that game." Of Orcs and Men Remaster is coming out on Steam on September 25th, but you can already pre-order it now. In the meantime, take a look at the new screenshots!A comparison of alkylating agents and retinoids in inducing differentiation and/or cytostatic activity in human myeloma cell lines. Alkylating agents and retinoids are two groups of agents widely used in the treatment of multiple myeloma. The present investigation was designed to compare the effect of these agents on inducing differentiation and/or cytostatic activity. We found that the al
